

George Graf, M.D.

Board Certified, American Board of Anesthesiology
Board Certified, American Board of Internal Medicine

EDUCATION:

1970	BS, Government, Miami University, Oxford, OH
1973	MS, Zoology, Miami University, Oxford, OH
1979	MD, SUNY Upstate Medical Center, Syracuse, NY
1980	Internship, SUNY Upstate Medical Center, Syracuse, NY
1982	Residency, Internal Medicine, Montefiore Hospital, Albert Einstein School of Medicine, NY, NY
1984	Residency, Anesthesiology, New York University Medical Center, NY, NY

EMPLOYMENT HISTORY:

1984-1985	Anesthesiologist Danbury, CT
1985-1988	Assistant Professor of Anesthesiology Yale University School of Medicine, New Haven, CT
1985-1988	Assistant Professor of Medicine Yale University School of Medicine New Haven, CT
1988-1990	Associate Attending, Anesthesiology and Medicine Cedars-Sinai Medical Center Los Angeles, CA
1989	Assistant Clinical Professor, Anesthesiology UCLA School of Medicine Los Angeles, CA

EMPLOYMENT HISTORY:

1990- 2004	Attending Anesthesiologist Cedars-Sinai Medical Center Los Angeles, CA
1992-1995	Attending, Department of Internal Medicine Cedars-Sinai Medical Center Los Angeles, CA

2003-Present	Advanced Pain Treatment and Diagnostic Medical Group
1997-Present	Addiction Medical Group, Inc.
2004-Present	Century Anesthesia Associates
2005- Present	Attending Anesthesiologist, Pain Management Physician Century City Doctors Hospital
2006	Centinela-Freeman, Marina Campus, Attending Anesthesiology and Pain Management
2007	Managing Partner and Co- Chief of Anesthesia, Century City Doctor's Hospital and Century Anesthesia Associates

LICENSES:

1980	New York
1984	Connecticut
1988	California

BOARD CERTIFICATIONS:

1983	American Board of Internal Medicine
1986	American Board of Anesthesiology

MEMBERSHIPS:

Fellow, Timothy Dwight College, Yale University
American Society of Anesthesiologists
American Society of Addiction Medicine
International Spinal Intervention Society
American Society Interventional Pain Physicians
California Society Addiction Medicine
California Society of Anesthesiologists

COMMITTEES:

1985-1988	Yale University Director, High Risk Consultation Service, Medical Student Education Committee, Resident Review and Education Committee, Chairperson, Government Affairs Committee, Executive Committee, Yale Vascular Diagnostic and Evaluation Center, Executive Committee, Connecticut State Society of Anesth.
1985-1989	ASA Committee on Regulation and Metabolism
1990-1991	American Society of Anesthesiologist Annual Meeting: Clinical Forum
1991-1994	Constitution and By-Laws Committee Cedars-Sinai Medical Center
1993-1995	Medical Director, Beverly Hills Wilshire Surgery Center
1995- 1998	Board of Directors, National Physicians Network, M.S.O.
1994- 2000	Management Committee, General Anesthesia Specialists Partnership, (G.A.S.P.)
1994-1996	Director of Business Affairs, General Anesthesia Specialists Partnership (G.A.S.P.)
1997-present	President, Addiction Medical Group Inc.

LECTURES:

1986	Grand Rounds, Department of Otolaryngology, Surgery and Urology, Yale-New Haven Hospital, New Haven, CT
1987	Medical Grand Rounds, "Anesthetic Considerations the High Risk Patient", Mt. Sinai Hospital, NY, NY.
1988	"Preoperative Evaluation of the High Risk Patient" Cedars-Sinai Medical Center, Los Angeles, CA
1988	"Epidural Opioids for Postoperative Analgesia", 9 th World Congress of Anesthesiology, Washington, DC
1988	"Non-Cardiac Surgery for the High Risk Patient", South Carolina and Georgia State Societies of Anesthesiology

1989	ASA Clinical Panel on "The Anesthesiologist as a Consultant for the High Risk Patient"
1987	ASA Annual Meeting. The High Risk Surgical Patient. The Anesthesiologist as Consultant
1989	Endocrine Disease and the Surgical Patient, Harbor/UCLA Medical Center
1992	"Anesthesia for the Patient with Endocrine Disease", Harbor/UCLA Medical Center
1994-1995	Basic Science Lecturer in Anesthesia Cedars-Sinai Medical Center Department of Surgery Residency Program
1997	Rapidly Accelerated Narcotic Detoxification. Southern California Chapter, California Society of Addiction Medicine.
1998	Rapidly Accelerated Narcotic Detoxification. Cal Net Program Directors Quarterly Meeting
2000	Grand Rounds. Yale University School of Medicine Department of Anesthesia
2001	Institute for Spinal Disorders, Cedars Sinai Medical Center. Grande Rounds. Diagnostic Interventions in the Patient with Spine Disease
2006	Pain Management for Diseases of the Spine. Surgical Grand Rounds. Century City Doctor's Hospital
2007	Provocative Lumbar Discography. Kyphon, Visiting Professor Lecture

3. Graf GJ, Barash, PG. Thoracic Aneurysms. In: Current Therapy in Anesthesiology, MC Rogers, ed, Canada, BC: Decker, Inc., 1990.
4. Graf GJ, Diabetes Insipidus. Essence of Anesthesia Practice. Roisen MF, Fleischer LA, ed, WB Saunders, 1997.
5. Schwartz JJ. Rosenbaum SH; Graf GJ, Anesthesia and the Endocrine System. In: Clinical Anesthesia 3rd. edition, Barash pg ed, Lippincott, Philadelphia, 1997.

ARTICLES

1. Graf GJ. The Effects of insecticide stress on a natural population of MUS Musculus, J Comp Biochem, Physiol, 1977.
2. Picarillo M, Graf GJ. Medical malpractice: A case study in medical and legal decision-making. Yale J of Biol. and Med., 1989.
3. Sinatra R, Sevarino F, Chung J, Graf GJ. Comparison of epidurally administered Sufentanil, Morphine and Sufentanil-Morphine combination for postoperative analgesia. Anesthesia and Analgesia: 72, 1991.
4. Graf GJ, Sinatra RS, Chung JH, Frasca A, Silverman, DG. Epidural Sufentanil for postoperative analgesia: dose response. Anesthesia and Analgesia: 72, 1991.
5. Yarmush J, D'Angelo R, O'Leary C, Graf GJ. A comparison of Remifentanil and Morphine Sulfate for acute postoperative analgesia after total intravenous anesthesia with Remifentanil and Propofol. Anesthesiology: 87: 235-43, 1997.
6. Solomon RE, Meyers MJ, Graf GJ. Sleeping through Detox. Professional Counselor: 12, No. 5, 1997.

COMPLETED RESEARCH

1. Transdermal Fentanyl (TTS) for postoperative analgesia: Dose response on patients recovering from major abdominal surgery.
2. An evaluation of Transdermal Fentanyl (TTS) 50 and 75 mcg. versus placebo for postoperative analgesia in patient under going upper abdominal surgery.
3. Long term nutritional support with Liposyn III 2% in patients with HIV infection and acquired immunodeficiency.
4. A double-blind randomized controlled study of the safety and efficacy of I.V. Methylnaltrexone in the prevention of Opioid induced nausea and vomiting in postoperative patients.
5. A randomized double-blind, placebo-controlled study of intravenous Ondansetron versus Droperidol for the prevention of postoperative nausea and vomiting in outpatient surgery.
6. A double-blind, parallel group, placebo controlled study of Intravenous Kytril in the treatment of postoperative nausea and vomiting in patients undergoing elective surgery with general anesthesia.
7. Opioid Accelerated Detoxification Under Anesthesia. The Clinical Experience of Two Hundred Consecutive Patients. 2003.

ABSTRACTS

1. Graf GJ, LaMantia KL, Biondi J, Barash PG. An anesthesia high risk consultation service: is it worth it? Meeting of the American Society of Anesthesiologist, 1987.
2. Graf GJ, Urban M. A comparison of etomidate and midazolam as induction agents in high risk vascular patients. Meeting of the Society of Cardiovascular Anesthesiologist, 1987.
