

Joseph Horrigan, DC, DACBSP, CSCS

Diplomate, American Chiropractic Board of Sports Physicians
Certified Strength and Conditioning Specialist

EDUCATION

Undergraduate

California State University, Northridge
Health Sciences
1980

Postgraduate

Los Angeles College of Chiropractic
1988

Licensed in California to practice chiropractic

Postdoctoral education

Certified Strength and Conditioning Specialist
National Strength and Conditioning Association
1993, 2003

Certified Chiropractic Sports Practitioner
American Chiropractic Board of Sports Physicians
1993

Diplomate of American Chiropractic Board of
Sports Physicians. Certificate 0017
American Chiropractic Board of Sports Physicians
1994

Club Coach (Level 1)
USA Weightlifting
1998

CLINICAL EXPERIENCE

Marina Mercy Hospital/Daniel Freeman Marina Hospital
inpatient stroke rehabilitation; in and outpatient
orthopedic physical therapy; ICU pulmonary physical
therapy rehab
1979-1983

International Sportsmedicine Institute
outpatient physical therapy
1983

Institute of Neuromuscular Reeducation
outpatient physical therapy
1984-1986

Joseph Horrigan Chiropractic, Inc. and Soft Tissue Center
outpatient physical therapy 1986-1990
outpatient musculoskeletal and neuromuscular diagnosis;
soft tissue mobilization; joint manipulation; physical
therapy; strength, speed-strength and conditioning
consultation 1990 - present

West Coast Soft Tissue
outpatient musculoskeletal and neuromuscular diagnosis;
soft tissue mobilization; joint manipulation; physical
therapy; strength, speed-strength and conditioning
consultation 1997 - 1998

Horrigan Sports Chiropractic, Inc. and Soft Tissue Center at Diagnostic
and Interventional Spinal Care
outpatient musculoskeletal and neuromuscular diagnosis;
soft tissue mobilization; joint manipulation; physical
therapy; strength, speed-strength and conditioning
consultation 2005 - present

POSITIONS

Horrigan Sports Chiropractic, Inc.
*President
1998 - present

Joseph Horrigan Chiropractic, A Professional Corporation
*President
1990 - 1997

Baptist Hospital, Nashville TN
*Consultant and Instructor: Physical Therapy Dept.
1986 - 1999

POSITIONS continued

National Board of Chiropractic Examiners

*Examiner

November, 1998, San Jose, CA

FACULTY POSITIONS

Southern California University of Health Sciences/Los Angeles College of Chiropractic

*Associate Professor, Part-time faculty September 2005 - current

➤ Differential Diagnosis I - neuromusculoskeletal system
September 2005 - present

➤ 8th term intern modules - Shoulder pathology
February 2006 - 2007

*Supervising doctor for intern Private Practice Rotations at the Soft Tissue Center at D.I.S.C.

September 2006 - present

*Supervising doctor for chiropractic sports medicine resident rotations at the Soft Tissue Center at D.I.S.C.

September 2006 - present

*Postgraduate faculty

➤ Basic Sports Sciences Program:
Instructor: Shoulder injury management
1994 - current

➤ Advanced Sports Sciences Program
Instructor: Pediatric Strength and Conditioning;
Hockey Injuries; Martial Arts
Injuries; Organizing the Sports
Medicine Staff for an Event.
1995

Manual methods - spine, upper and lower
extremity
2000 - current

*Co-Coordinator of Sports Injuries Programs

1997 - present

Northwestern College of Chiropractic

*Postgraduate faculty

➤ Advanced Sports Injuries Program

Instructor: Shoulder injuries
Soft tissue healing, soft tissue mobilization,
therapeutic muscle stretching
1997 - 2003

POSITIONS continued

Palmer College of Chiropractic

*Postgraduate faculty

➤ Advanced Sports Injuries Program

Instructor: Soft tissue healing, soft tissue mobilization,
therapeutic muscle stretching

2003 - current

EDITORIAL POSITIONS

Journal of Chiropractic Medicine

*Editorial Review Board

2007 - current

Biomechanics

*Editorial Review Board

1996 - current

Phys Ed Journal of Sportsmedicine

*Editorial Staff

1992 - 1996

Journal of Sports Chiropractic and Rehabilitation

*Editorial Review Board

1996 - 2002

SPORTS MEDICINE POSITIONS AND PROFESSIONAL COMMITTEES

American Chiropractic Board of Sports Physicians

*President, July 2009 - June 2010

*Board of Directors: 1994 - 1999, 2006 - present

*Advisor to Board of Directors 2005 - 2006

*Ethics Committee, 2002 - present

*Written Examination Committee and test item writer:
1993 - 2005

*Chair of Written Examination Committee
1996 - 2005

*Examiner for Practical Examination: 1994

*Vice-President of Board of Directors
1996 - 1999, 2007-2008

*Supervisor of written requirement criteria of all
diplomate candidates: 1995 - 1997

*Abstract Peer Review Committee

1995, Maui, HI;

1997, Los Angeles, CA and Mentor to Coordinator

POSITIONS continued

- *Coordinator of Abstract Presentations:
1996, 2005 - 2008 Chiropractic Sports Sciences Symposium
- *Chair of 1997 Chiropractic Sports Sciences Symposium
- *Chair of 1999 Chiropractic Sports Sciences Symposium

USA Weightlifting

- *Sports Medicine Committee
1997 - current

USA Track and Field

- *Elite Hurdle Development Program
Consultant - Injuries, Injury prevention, dehydration, strength
training: 2000 - current

TEAM SPORTS AFFILIATIONS/SPEED-STRENGTH AND CONDITIONING POSITIONS

Los Angeles Kings

- *Head Speed-Strength and Conditioning Coach
1999 - 2002

Long Beach Ice Dogs

International Hockey League/West Coast Hockey League

- *Head Team Chiropractor
1995 - 1999
- *Assistant Team Chiropractor
1999 - 2003
- *Head Speed-Strength and Conditioning Coach
1996 - 2003

"Training to Win" and "Team to Win" Program

- *Chiropractic Consultant
1995 - 2003
- *Director of Strength and Conditioning
1995 - 2004

West Coast Sports Performance

- *Director of Strength and Conditioning and Sports Performance
1999 - 2004

PODIUM AND POSTER PRESENTATIONS

Chiropractic Sports Sciences Symposia

- *"Two cases of complex regional pain syndrome mimicking adhesive capsulitis." **JM Horrigan**, E Carden, MD.
San Diego, CA April 2009
Poster presentation

PODIUM AND POSTER PRESENTATIONS continued

- *"Case Series: Thoracic intramedullary vascularized lipomas".
JM Horrigan; RS Bray, Jr.; MA Nagare.
Weston, FL, May 2008
Podium presentation

- *"Case series: abdominal muscle injuries in athletes".
JM Horrigan; SJ Tunnell; D Velasquez.
[Leonard Schroeder Award for Best Original Research Abstract]
Weston, FL, May 2008
Podium presentation

- *"Symptomatic Chiari malformation type I in a recreational triathlete:
a case study". **JM Horrigan**; RS Bray, Jr; D Velasquez; SJ Tunnell.
[John N. Nash Award for Best Multi-Disciplinary Abstract]
Minneapolis, MN, April 2007
Podium presentation

- *"Reduction of Achilles tendonitis symptoms following the ingestion of
creatine monohydrate: a case study." **JM Horrigan**; SJ Tunnell;
D Velasquez; K Gardner.
Minneapolis, MN, April 2007
Podium presentation

- *"Incidental finding of pleural infection in a recreational weight
trainee: a case study". **JM Horrigan**; SJ Tunnell; D Velasquez; RT Fox.
Minneapolis, MN, April 2007
poster presentation

- *"Infrapatellar neuropathy mimicking a symptomatic medial meniscus
tear: a case study. **JM Horrigan**; E Carden; SJ Tunnell; D Velasquez.
Minneapolis, MN, April 2007
poster presentation

- *"Changes in bodyfat in professional hockey players after increasing
anaerobic training and decreasing aerobic training - a 3-year study."
Horrigan JM, Good D, Feder KS, Aoi M.
San Francisco, CA, March 2006
Poster presentation

- *"Acute rotator cuff strain from the bench press following rotator
cuff training. Category: Shoulder - Powerlifting."
Horrigan JM, Tunnell SJ
San Francisco, CA, March 2006
Poster presentation

- *"Max VO₂, vertical jump and sprint velocity as predictors of
selection to an NHL roster."
Horrigan JM, Good D, Feder KS, Aoi M.
[John N. Nash Award for Best Multi-Disciplinary Abstract]
Hollywood, FL, May 2005

PODIUM AND POSTER PRESENTATIONS continued

Chiropractic Sports Sciences Symposia

- *"Resolution of ulnar neuropathy with soft tissue mobilization: a case study". Category: Upper extremity -- dance
Velasquez D, **Horrigan JM**.
Hollywood, FL, May 2005.
poster presentation
- *"An 18-month retrospective analysis of the prevalence of hyper-reflexia in patients presenting with cervical spine complaints.
Tunnell SJ, **Horrigan JM**, Velasquez D, Moreau CE.
Hollywood, FL, May 2005
poster presentation
- *"Comparison of cervical MRI findings in patients with pathologic reflexes."
Horrigan JM, Tunnell SJ, Velasquez D, Moreau CE.
Hollywood, FL, May 2005
poster presentation
- *"Post-cervical fusion thoracic pain resolved with manipulation and soft tissue mobilization. Category: Spine.
Horrigan JM, Bray, Jr, RS.
Hollywood, FL, May 2005
poster presentation
- *"Efficacy of the subscapularis lift off test"
Horrigan JM, Silva GA, Lazar ML
April, 1997 - Los Angeles, CA
slide presentation
- *"Prevalance and association of six clinical subacromial impingement tests and diagnosis"
Tunnell SJ, Chan SC, **Horrigan JM**
April, 1997 - Los Angeles, CA
slide presentation
- *"Changes in bodyweight in professional hockey players as an indicator of dehydration following hydration protocol instruction compared with prehydration instruction: A pilot study". **Horrigan JM**, Feder KS, Reiss R, Burrill R, Andersen GD. April, 1997 - Los Angeles, CA
slide presentation

PODIUM AND POSTER PRESENTATIONS continued

Chiropractic Sports Sciences Symposia continued

- *"Team physician misdiagnosis: statistical analysis"
Scale EH, Andersen GD, **Horrigan JM**
April, 1997 - Los Angeles, CA
slide presentation
- *"Correlation between five clinical subacromial
impingement tests and manual muscle tests of the
supraspinatus"
Reynolds EJ, Kovacs RN, **Horrigan JM**
April, 1997 - Los Angeles, CA
slide presentation
- *"Comparison of motion palpation versus flexion/extension
lateral radiographs of the cervical spine: A pilot study"
Horrigan, JM, Bray, RS
July, 1996 - Atlanta, GA
poster presentation
- *"Jumper's knee associated with plyometric depth jumps"
Horrigan JM, Mandelbaum BR.
July, 1995 - Maui, HI.
poster presentation
- *"Soft tissue manipulation of the spine and lower
extremities"
Horrigan JM.
April, 1993 - Santa Barbara, CA
podium presentation

American Orthopedic Society of Sports Medicine

- *"Sports hernia: evaluation, treatment, and results of surgical
intervention in the competitive athlete". Feder K, Shorr R,
Smith C, **Horrigan J**.
San Diego, CA. July 21, 2003
podium presentation

Sixth World International Olympic Committee Congress on Sports Science

- *"Relationship between jumps and skating speed in ice hockey"
Horrigan JM, Vick K, Feder KS, Good D.
poster presentation
Salt Lake City, UT, September 16-21, 2001
[One of five finalists for the Prince de Merode Award for
Outstanding Research]
Congress cancelled due to September 11, 2001 attack

PODIUM AND POSTER PRESENTATIONS continued

Chiropractic Sports Sciences Symposia continued

American College of Sports Medicine National Conference

- *"MRI recruitment patterns associated with different shoulder exercises: Assessment using MRI"
Horrigan JM, Shellock FG, Mink JH, Deutsch AL
June 1994 - Indianapolis, IN
slide presentation

INSTRUCTION

Basic Sports Injuries Program - via Southern California University of Health Sciences/Los Angeles College of Chiropractic:

- *"Functional examination and rehabilitation of the shoulder".
Horrigan JM, Feder KS.
January 1994 - San Jose, CA June 1994 - Los Angeles
February 1995 - San Francisco, June, 1995 - Ontario
February 1997 - Long Beach, CA, July 1997 - Whittier
September 1998 - Whittier, June 1999 - Long Beach
October 2000, October 2001, September 2003,
Horrigan JM
July 2005 - Whittier, May 2006, October 2007, April 2008 -
Whittier, CA, April 2009

Advanced Sports Injuries Program - via Southern California University of Health Sciences/Los Angeles College of Chiropractic:

- *"The Pediatric Athlete": Pediatric Strength and Conditioning
Knapp T, **Horrigan JM**, Scaringe J, Painter M, Hazan L.
January 1995 - Los Angeles, CA
- *"Hockey Injuries".
Horrigan JM
July 1995, October 2000
- *"Martial Arts Injuries".
Horrigan JM; Reynolds, EJ
- *"Organizing the Sports Medicine Staff for an Event".
Horrigan JM, Reed MP
July 1995 - Los Angeles, CA

- *"Manual Procedures"
Scaringe J, **Horrigan JM**, Scale ES.
"Spine" - January, 2000
"Upper Extremity" - February, 2000
"Lower Extremity" - March, 2000

INSTRUCTION continued

*"Rehabilitation"

Reed M, **Horrigan JM**

"Spine" - May, 2000

"Upper extremity" - June, 2000

Rehabilitation Program via Southern California University of Health Sciences/Los Angeles College of Chiropractic

*Extremity rehabilitation

Reed MP, Scaringe JG, **Horrigan JM**

August, 1996 - Los Angeles, CA

Kansas Chiropractic Association

1998 Continuing Education at Annual Conference

Keynote Speaker

*Functional examination and rehabilitation of the shoulder

September, 1998 - Topeka, KS

National Strength and Conditioning Association

Review course for Certified Strength and Conditioning Specialist

*Speed Development

August 21-22, 1999, Whittier, CA

August, 2000 Whittier, CA

USA Track and Field

Elite Hurdle Development Program

*Injuries, treatment, and strength and conditioning for hurdlers
December 16, 2001 San Diego State University, San Diego, CA

*Nutrition, injury prevention, and strength and conditioning for hurdlers

January 3-4, 2004, Olympic Training Center, Chula Vista, CA

Advanced Sports Injuries Program - via Northwestern College of Chiropractic

*"The Shoulder in Sports Medicine"

Moreau WJ, **Horrigan JM**

October 1997 - Seattle, WA

*"Soft tissue healing, soft tissue mobilization and therapeutic muscle stretching"

Horrigan JM

August 2003 - Denver, CO.

Advanced Sports Injuries Program - via Palmer College of Chiropractic

*Soft tissue healing, soft tissue mobilization and therapeutic muscle stretching

On-line distance learning component - August 2003 - current

Live lecture - February 2006, Dallas, TX. May 2008, Davenport, IA.

INSTRUCTION continued

Sports Medicine Council, British Columbia
National Training Center, Vancouver

- *"Shoulder, knee and elbow injuries from training"
- *"Strength and conditioning"

Horrigan JM

July 6-8, 2001 - Vancouver, BC

PROFESSIONAL ASSOCIATIONS

American Chiropractic Association Council on Sports Injuries
and Physical Fitness

American College of Sports Medicine

National Strength and Conditioning Association

International Sports Sciences Association

USA Weightlifting

USA Track and Field

RESEARCH PUBLICATION

PEER REVIEWED PUBLICATION

Hematopoietic hyperplasia in a world class runner: A case report.

Horrigan JM, Semel RH. Chiropractic Sportsmedicine 1992 Vol 6 No 3:102-104.

Resolution of a groin injury in a professional hockey player from soft tissue mobilization: A case study. **Horrigan JM**. Chiropractic Sportsmedicine 1992 Vol 6 No 4:151-154.

[received recognition in Year Book of Chiropractic 1994]

Pectoralis major tears: etiology and prevention.

Reynolds EJ, Semel RH, Fox RT, Coughlin SP, **Horrigan JM**, Colanero AF. Chiropractic Sportsmedicine 1993 Vol 7 No 3:83-89.

[received recognition in Year Book of Chiropractic 1995]

Scapular winging associated with trauma in 2 professional hockey players. **Horrigan JM**, Coughlin SP, Lazar MA. Journal of the Neuromusculoskeletal System 1994, Vol 1 No 2:28-32.

MRI evaluation of muscle usage associated with three exercises for rotator cuff rehabilitation. **Horrigan JM**, Shellock FG, Mink JH, Deutsch. Medicine and Science in Sports and Exercise, Vol 31, No 10:1361-1369, 1999.

Stride length changes in a world class sprinter after soft tissue mobilization. **Horrigan JM**.

pending publication 2010.

RESEARCH PUBLICATION continued

NONPEER REVIEWED PUBLICATION

NSA Roundtable. Alford J, Gambetta V, Ballestros JM, Macwilliam T, **Horrigan J**, Jegathesan M, Llewellyn T. New Studies in Athletics, International Amateur Athletic Federation: 7:2, 17-26, 1992.

RESEARCH PUBLICATION

IN PREPARATION OR ONGOING STUDY

Dehydration and rehydration in professional hockey players. **Horrigan JM**, Feder KS, Andersen GD, Burrill R, Reiss R. article in preparation

Correlation between vertical jump and skating velocity in professional hockey players. **Horrigan JM**, Vick K, Good D, Feder KS, Sleight J. article in preparation

Atraumatic distal clavicular osteolysis in weight trained subjects. Housner J, Mandelbaum BR, **Horrigan JM**, Mink JH, Deutsch AL, Puffer J. research completed; article in preparation

ABSTRACTS

Muscle recruitment patterns associated with different shoulder exercises: Assessment using MRI. **Horrigan JM**, Shellock FG, Mink JH, Deutsch AL. Medicine and Science in Sports and Exercise 1994, Supplement 26, 5:S20.

MRI evaluation of muscle recruitment patterns associated with different shoulder exercises. Shellock FG, **Horrigan JM**, Mink JH, Deutsch AL. Journal of Magnetic Resonance Imaging, 1994.

MRI of the cervical spine during flexion and extension: development and implementation of a new technique. Shellock FG, Sullenberger P, Mink JH, Deutsch A, **Horrigan J**, Bloze A, Hashoian R. Journal of Magnetic Resonance Imaging, WIP:S21, 1994.

Comparison of motion palpation versus flexion/extension radiographs in determining post traumatic cervical spine instability. **Horrigan JM**, Bray, RS. Journal of Sports Chiropractic and Rehabilitation 1996.

Efficacy of the subscapularis lift off test. **Horrigan JM**, Silva GA, Lazar ML. Journal of Sports Chiropractic and Rehabilitation, 3:123, 1998.

ABSTRACTS continued

Prevalance and association of six clinical subacromial impingement tests and diagnosis. Tunnell SJ, Chan SC, **Horrigan JM**. Journal of Sports Chiropractic and Rehabilitation, 3:123, 1998.

Changes in bodyweight in professional hockey players as an indicator of dehydration following hydration protocol instruction compared with prehydration instruction: A pilot study. **Horrigan JM**, Feder KS, Reiss R, Burrill R, Andersen GD. Journal of Sports Chiropractic and Rehabilitation, 3:122, 1998.

Team physician misdiagnosis: statistical analysis. Scale EH, Andersen GD, **Horrigan JM**. Journal of Sports Chiropractic and Rehabilitation, 3:123, 1998.

Correlation between five clinical subacromial impingement tests and manual muscle tests of the supraspinatus. Reynolds EJ, Kovacs RN, **Horrigan JM**. Journal of Sports Chiropractic and Rehabilitation, 3:124, 1998.

John N. Nash Award for Best Multi-Disciplinary Abstract at the 2007 Chiropractic Sports Sciences Symposium for *"Symptomatic Chiari malformation type I in a recreational triathlete: a case study."* **April 2007.**

John N. Nash Award for Best Multi-Disciplinary Abstract at the 2005 Chiropractic Sports Sciences Symposium for *"Max VO₂, vertical jump and sprint velocity as predictors of selection to an NHL roster."* **May 2005.**

2001 Sports Chiropractor of the Year
2001 Chiropractic Sports Sciences Symposium
Denver, CO August 17-19, **2001**

One of five finalists for the **Prince de Merode Award for Outstanding Research** at the Sixth World International Olympic Committee Congress on Sports Science for the abstract *"Relationship between jumps and skating speed in ice hockey"*. **September 16-21, 2001** - Congress meeting cancelled due to September 11, 2001 attack.

Recognition in Yearbook of Chiropractic (Mosby) for peer reviewed article: *"Pectoralis major tears: etiology and prevention."* **1995**

Recognition in Yearbook of Chiropractic (Mosby) for peer reviewed article: *"Resolution of a groin injury in a professional hockey player from soft tissue mobilization: A case study."* **1994**

MISCELLANEOUS ACHIEVEMENTS

Bally's Health and Tennis Corporation

- * Bally's began utilizing the monthly IRONMAN Sportsmedicine Column for instruction purposes in their personal trainer program.
Commenced in Fall 1993.

Cory Everson Fitness Camp

- *Board of Advisors
1998, 2000

IRONMAN Fitness Expo

- *Lecture: "Injury prevention in weight training"
Pasadena, CA February 20-22, 2004
February 18, 2005

OFFICIAL SPORTS MEDICINE EVENT POSITIONS

United States Taekwondo Union

- *Medical Event Coordinator
U.S. Taekwondo Junior Olympic Championships
Los Angeles, CA July 5-8, 1995
- coordinated a 28 member multi-disciplinary staff of sports chiropractors, neurosurgeons, orthopedic surgeons, certified athletic trainers and secured hospital sponsorship for emergency transportation and medical supplies for 3,000 competitors over a 3 day event.

Long Beach Ice Dogs

International Hockey League/West Coast Hockey League

- *Head Team Chiropractor
1995 - 1999
- *Assistant Team Chiropractor
1999 - 2003

Nike World Beach Volleyball Championships

- * Los Angeles, CA. September 1997
- * Staff chiropractor

Los Angeles Invitational Track Meet

- * Los Angeles, CA. February 7, 1998
- * Coordinator of Chiropractic Services

MISCELLANEOUS ACHIEVEMENTS continued
